*All prices subject to change without notice

ORDERING:

Place all poultry and service orders 5 weeks in advance of your scheduled delivery date. When placing your order, keep in mind that chicks take 3 weeks to hatch, while turkeys, ducks and geese take 4 weeks.

When determining which quantity column to use for pricing, select the column which corresponds to the total quantity of chicks ordered per breed.

Example for same breed:

(50 WR Pul + 50 WR Cox) = use the 100 price column for Pullets and for Cockerels

(48 ISA Brown Pul + 2 ISA Brown Cox) = use the 50-99 price column for Pullets and for Cockerels.

Example for varied breeds:

(25 ISA Brown Pul + 25 Black Sex Link Pul) = use the 25-49 price column of each respective breed.

DELIVERY & SPECIAL HANDLING: This will be charged on a per customer order basis regardless of quantity. Subject to GST.

SMALL ORDER SURCHARGE: There are no minimum quantity restrictions; however, a surcharge will be added for any orders of less than 10 birds. This does not apply to Ready-to-Lay Pullets. The Delivery and Special Handling charge will also apply.

19 Week Old Pullets: ISA Brown ONLY. Beak Trim Included. **Customer must supply container.**
